Barcelona, 25 April 2019. In collaboration with the Fundació Joan Miró, Apple is offering a new experience to visitors with the aim of inspiring learning, encouraging connection, and unlocking creativity. As part of Today at Apple, the Fundació Joan Miró will be hosting a series of free sessions focused on several themes: photography, architecture, sketching and coding.

[Today at Apple](#) offers hands-on group sessions focused on photography, video, music, coding and apps, health and fitness, art and design, and more. The sessions are free at every Apple Store worldwide and allow visitors to find the right session for their interests and skill level in order to unlock their creativity, inspire learning and encourage connection.

For eight weeks, from 27 April to 20 June, visitors to the Fundació Joan Miró will be able to engage in these Today at Apple sessions for audiences of all ages. They will be held in the exhibition rooms, the library, and the rooftop terrace at the Fundació.

Photo Walk: Capturing Light and Shadow. Explore how to find the best light for taking photos. We'll show you how to look for light sources around you, incorporate shadows for contrast and mood, and share editing techniques to enhance your images. iPhone or iPad devices will be provided, or bring your own.
Tuesdays, Thursdays, Saturdays 3:30 – 5pm.

Art Walk: Drawing from Observation. Transform the way you observe and sketch the world around you. We'll show you how being mindful of people, objects, or places in your surroundings will help you add interesting details to your drawings. iPad Pro and Apple Pencil devices will be provided.

Tuesdays, Thursdays 12:30 – 2pm.

From 14 to 18 May, from 12:30 to 2pm to celebrate Architecture Week 2019.

Art Walk: Discovering Colour. Collect the colours you observe on your walk to capture your own colour palette. Using the Procreate app on iPad Pro with Apple Pencil, you'll combine them to create an abstract painting to take home. Devices will be provided.

Tuesdays, Thursdays and Saturdays 10:30 - 12pm.

Coding Lab for Kids: Sphero Robot Obstacle Challenge. Help a Sphero robot navigate obstacles using code in the Sphero Edu app on iPad. Kids will explore block-based coding by programming simple movements, changing colours, and more. They'll set up obstacles and use iPad to program a path for their robot to navigate. iPad devices will be provided, or bring your own.

Suggested ages: 6 to 12. Saturdays 12:30 – 2pm.
